Fly in Ultimate Comfort

The Bombardier Challenger 300 is a luxurious, sophisticated, transcontinental, high-performance private jet. It's designed to meet customer needs like no other private aircraft in the super mid-size category has been able to. It has a capacity of 8 passengers and sports luxurious leather seats with ample legroom in a cabin which you can comfortably walk around in. The capacity decreases to 4 passenger when a lie-flat bed configuration is requested. It can reach speeds of up to 540 miles per hour and has a cruising altitude of 45,000 feet. This high cruising altitude ensures a very smooth flight. It is staffed with two pilots and an air-hostess. The Challenger 300 is therefore the ideal choice for this itinerary.

Arrive in Style

Arrive at dedicated terminals for private jets where the customs and immigration formalities will be completed in a private lounge.

Exclusive Transfers

Minimize travel time and ensure maximum relaxation at each destination with your quick and enjoyable transfers. Apart from the Bombardier Challenger 300 jet, your exclusive transfers will include open game drive vehicles, a VIP water arrival in Zambia, a flight in a Cessna Grand Caravan in Botswana and exclusive helicopter transfers in Cape Town and the Cape Winelands giving you stunning aerial views.

Private Game Drives

Game drives are interpretive drives in the bush in specially adapted four wheel drive vehicles, with the purpose of finding wildlife in a natural habitat. On a game drive you will be accompanied by ranger/guide (sometimes armed) with a comprehensive knowledge of all flora and fauna found in Sabi Sands. Besides the ranger normally a "tracker" joins the ranger, who is being seated on the front of the car in a small seat and scans the environment for (big) game. These are all very passionate people, who have a special ability to teach you about nature. Game drives normally take place twice a day: starting just after sunrise until 10am and from 3:30pm until sunset.

You can rely on the expertise of World's Ultimate Travels to make your journey unforgettable. We take care of the finest details every step of the way.
